

Stay safe from COVID-19

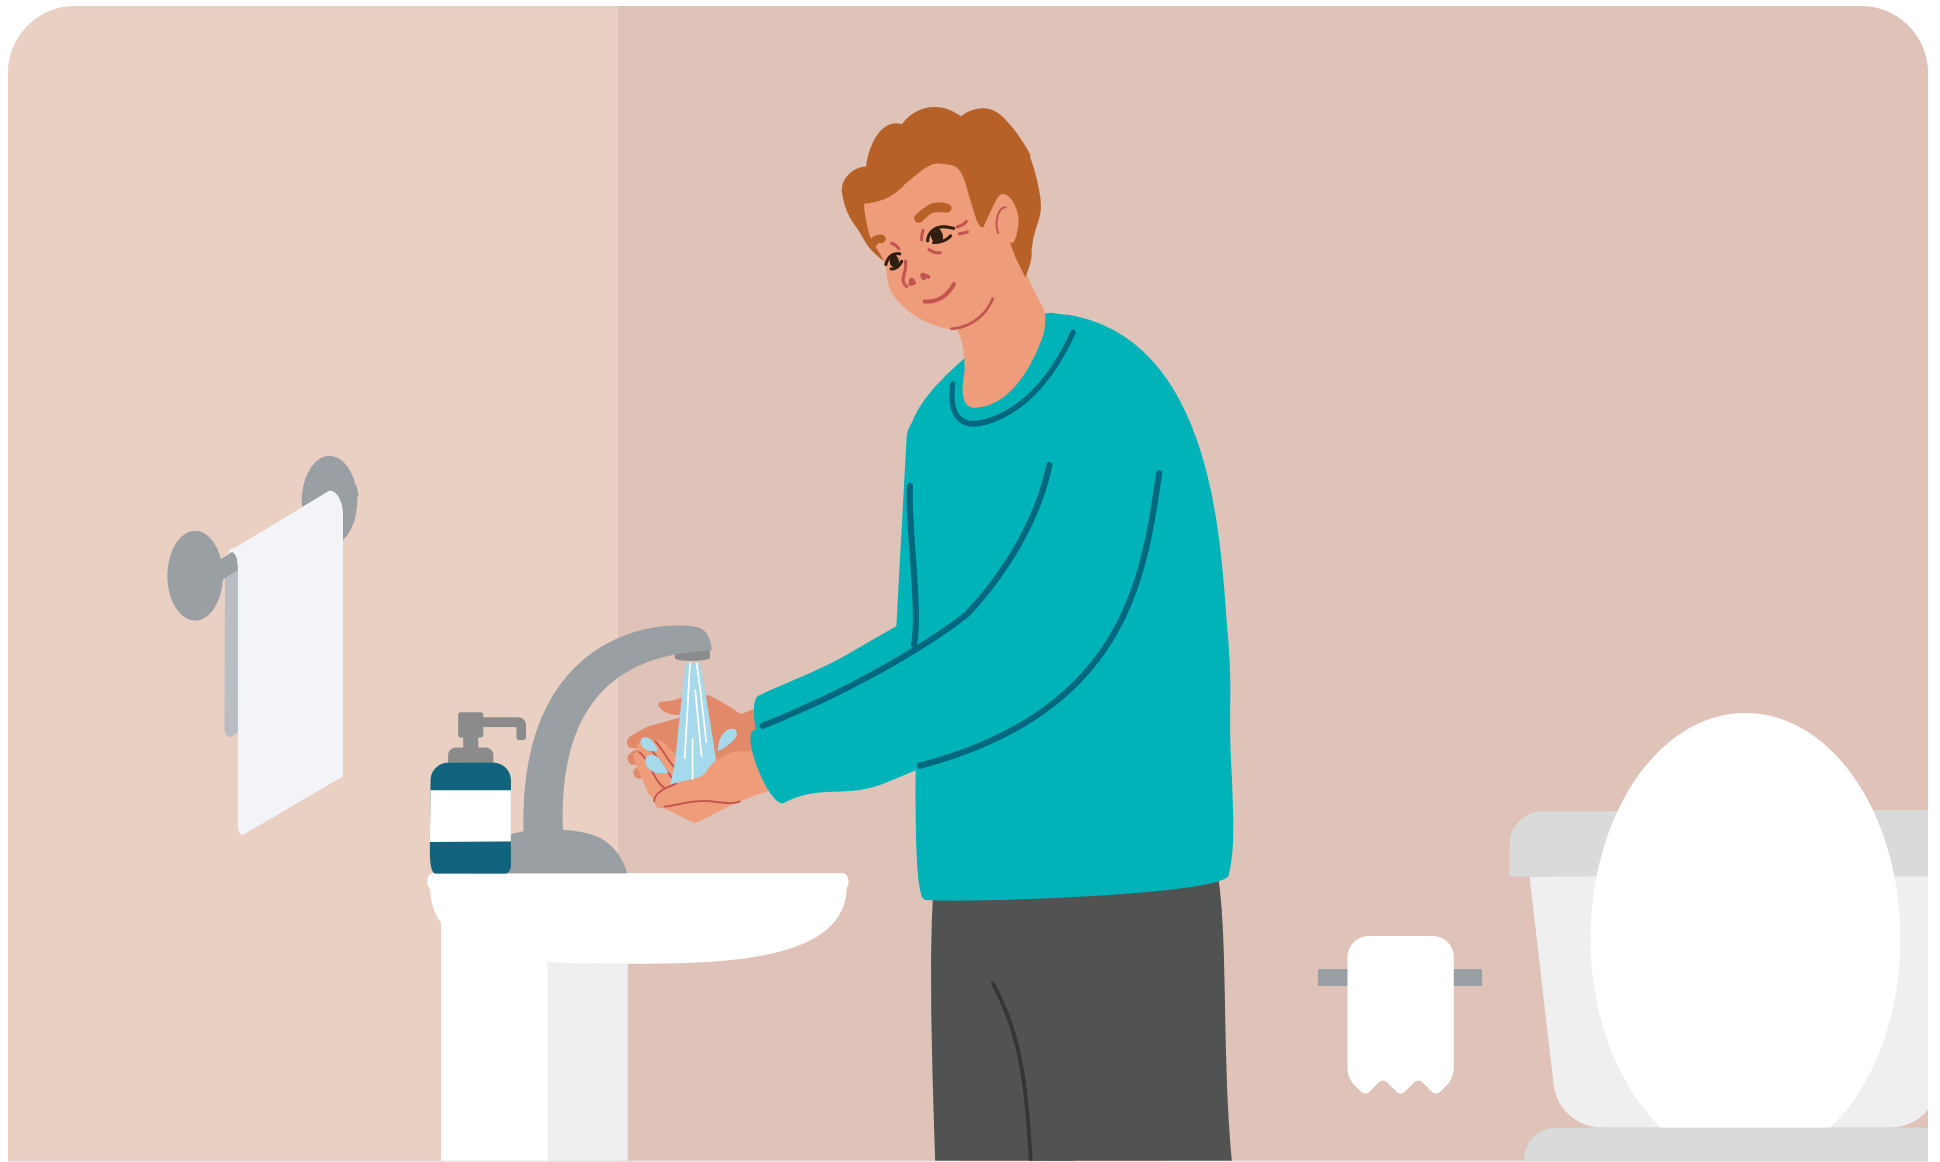

How I wash my hands

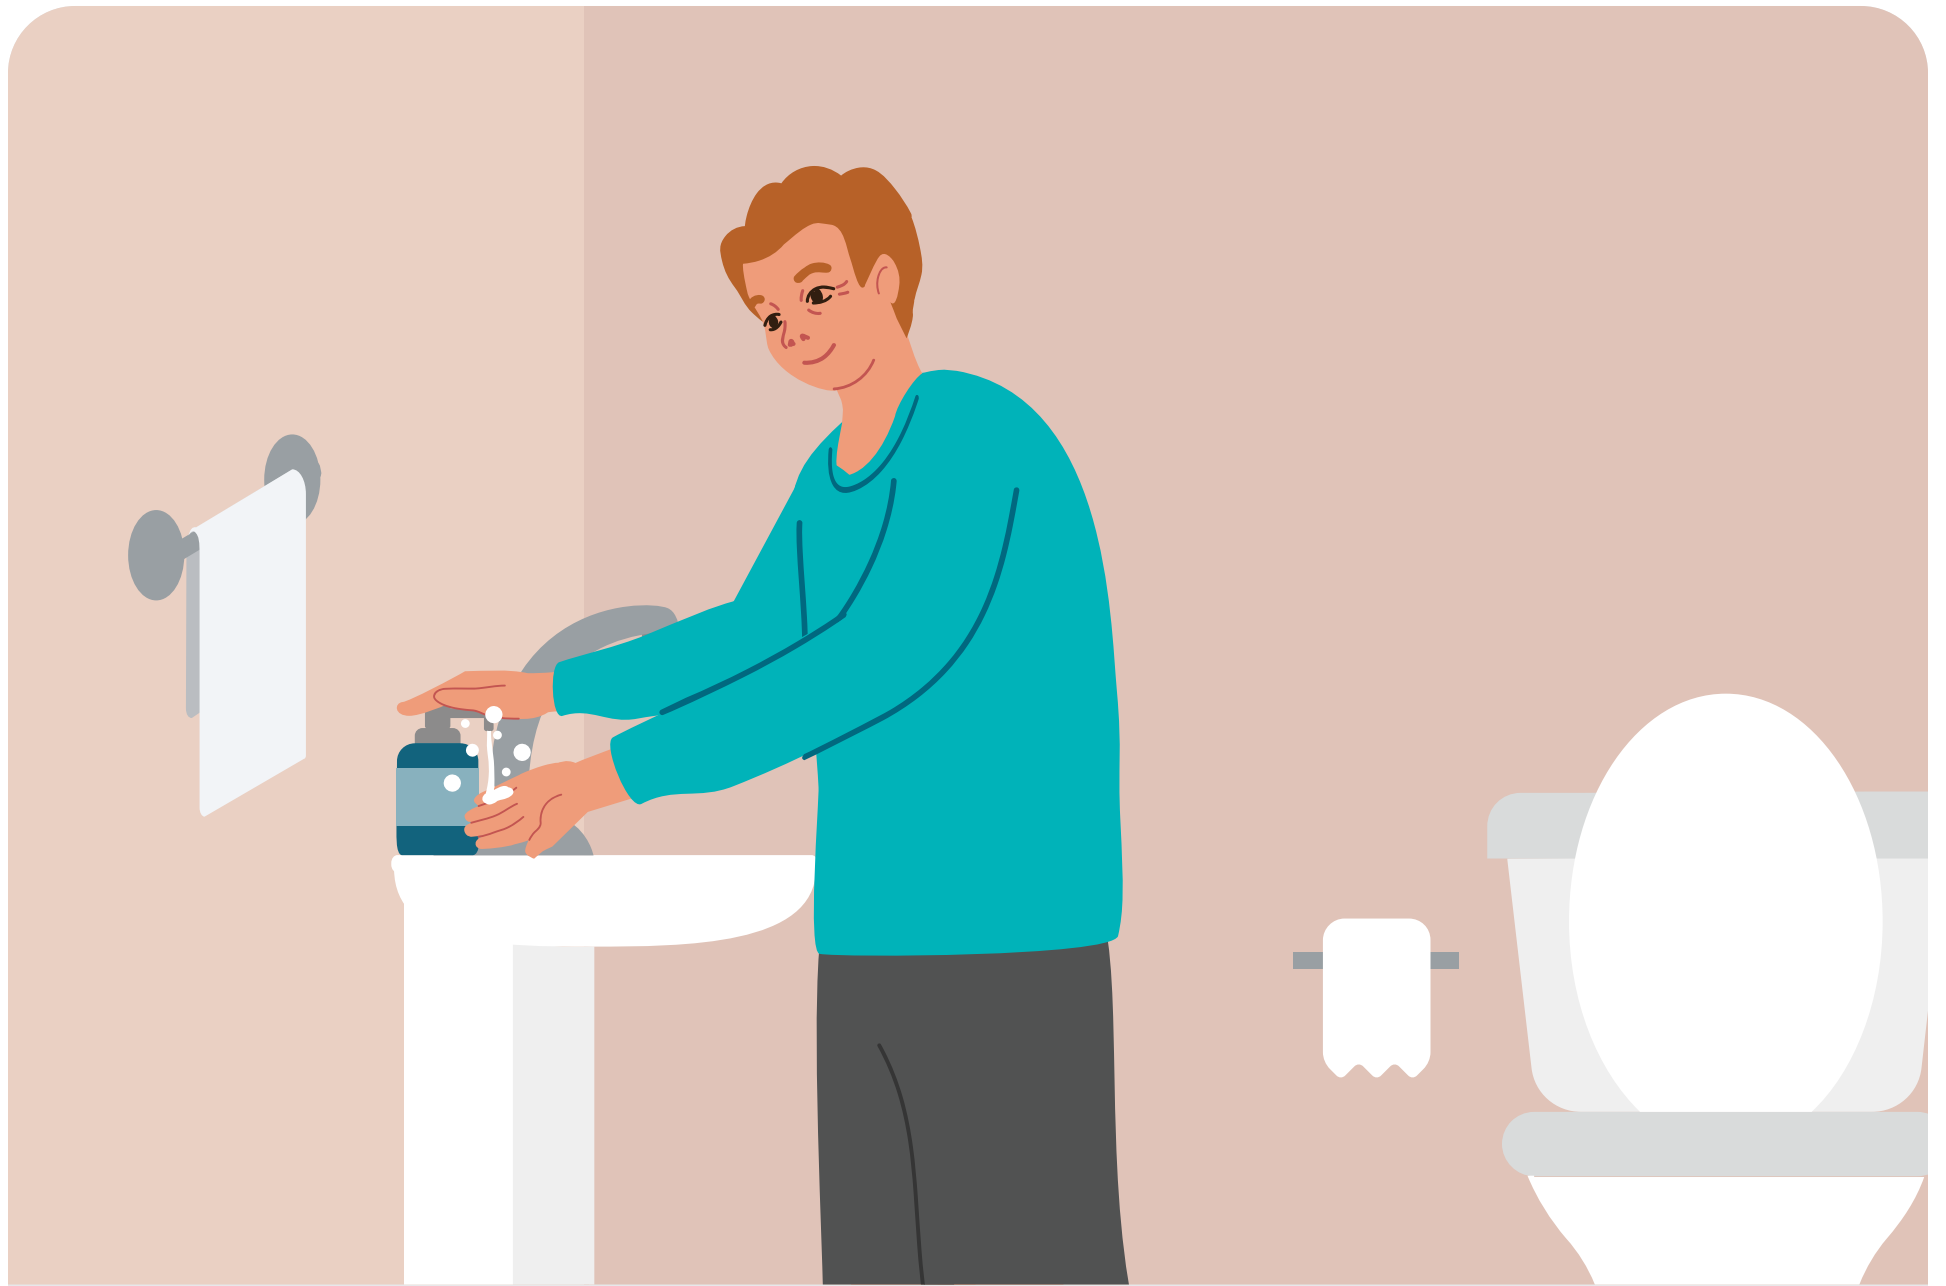

I wash my hands so I don't get sick.

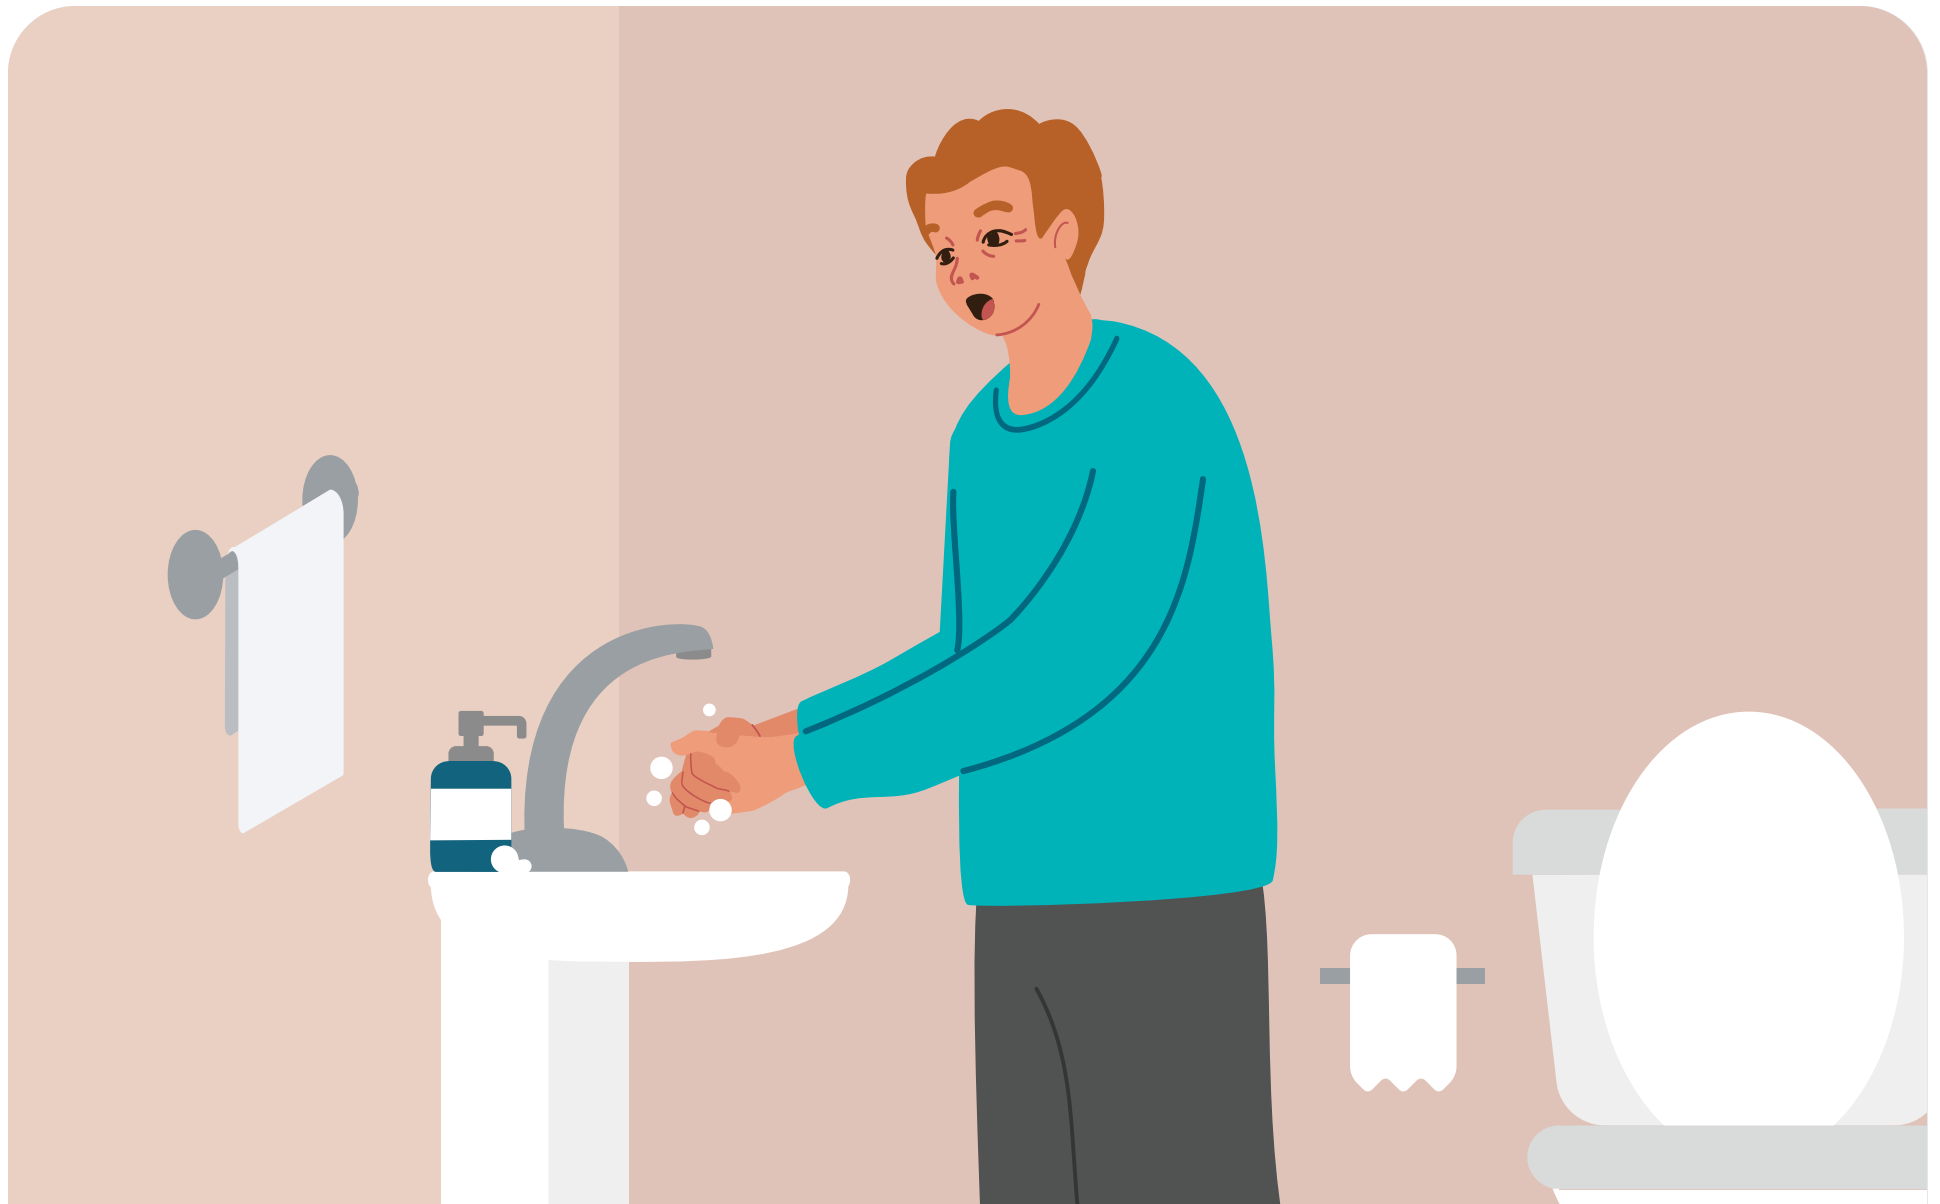

I wash my hands to help me stay safe from COVID-19.

**I turn the water on.
I get my hands wet.**

I put soap all over my hands.

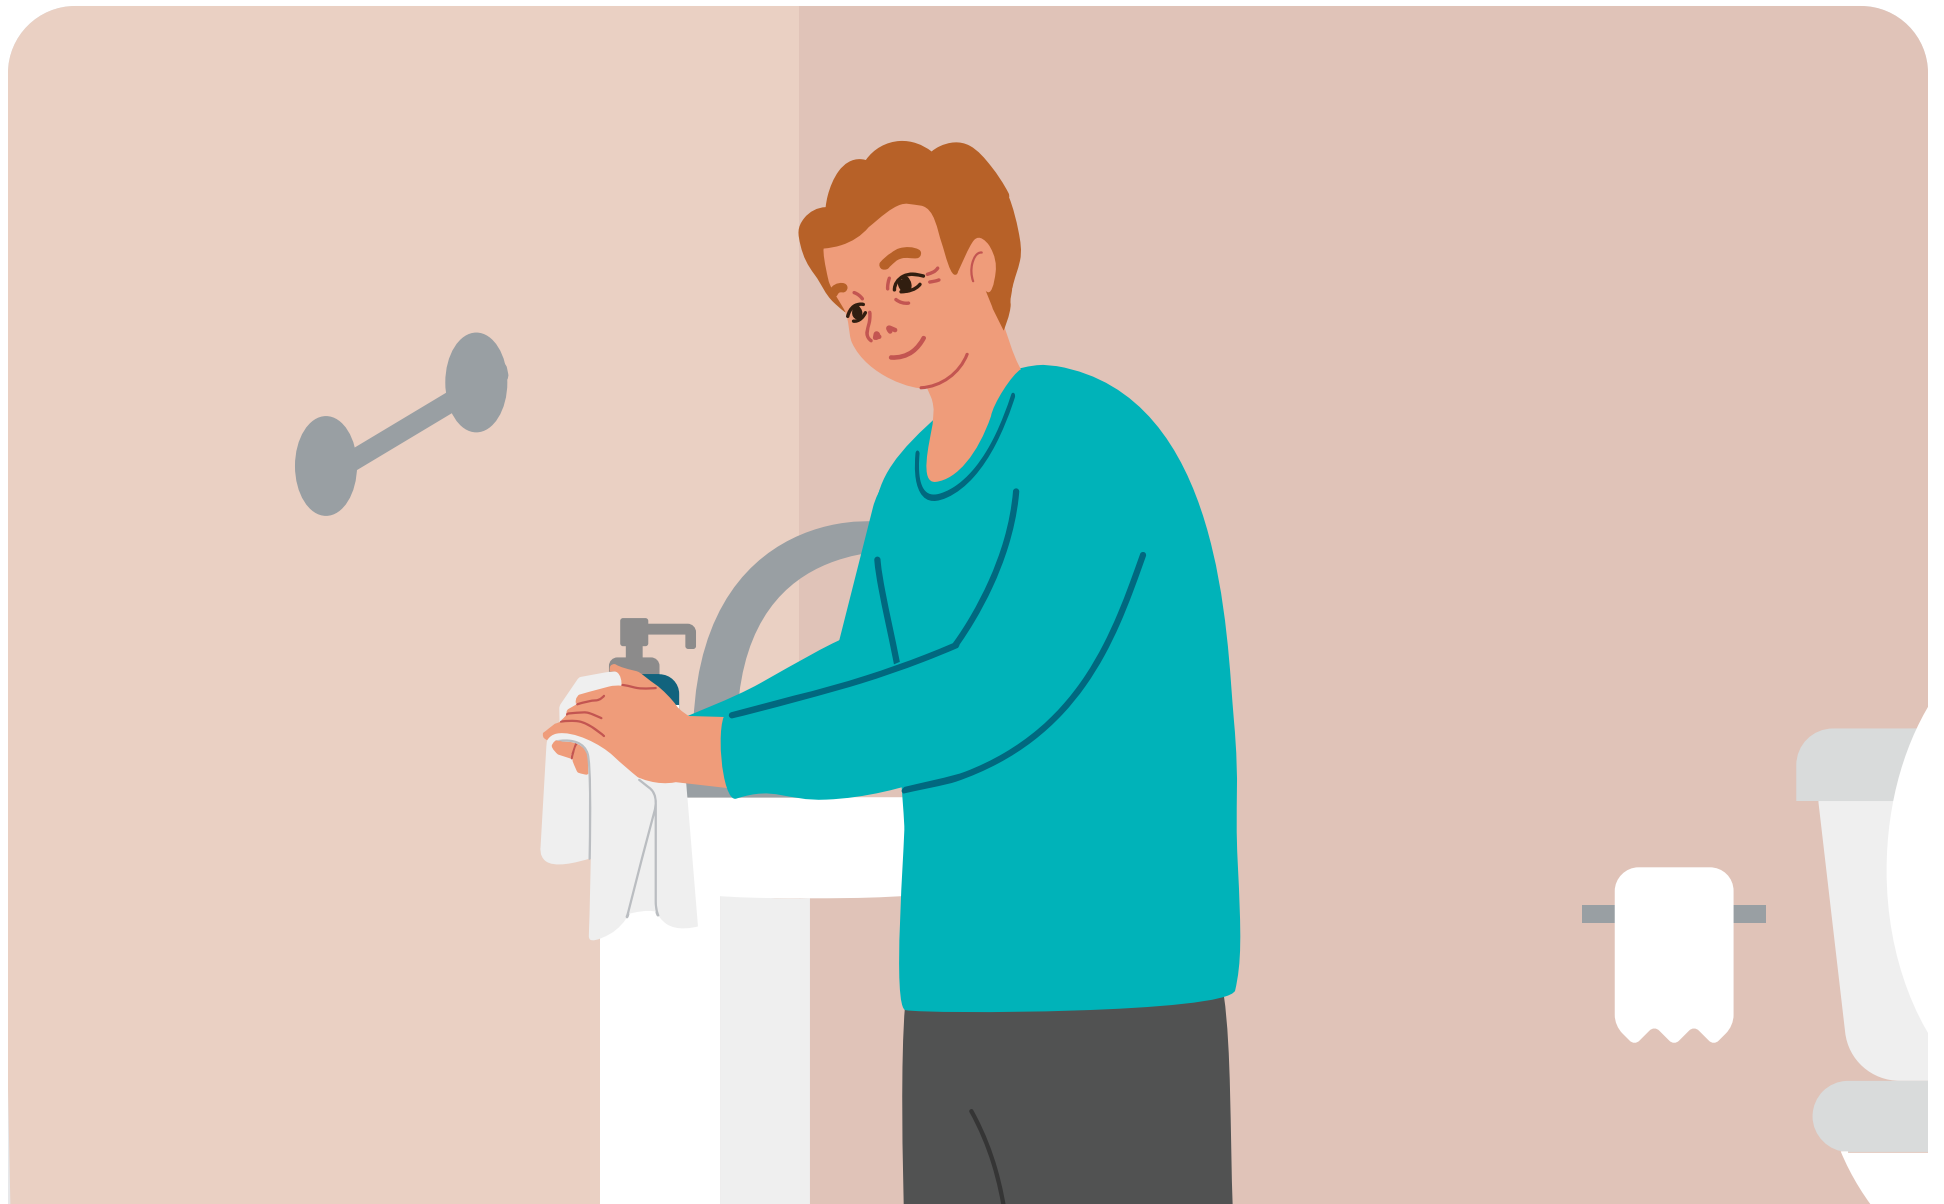

**I rub my hands together.
I sing the Happy Birthday song twice.**

I put my hands under the water.

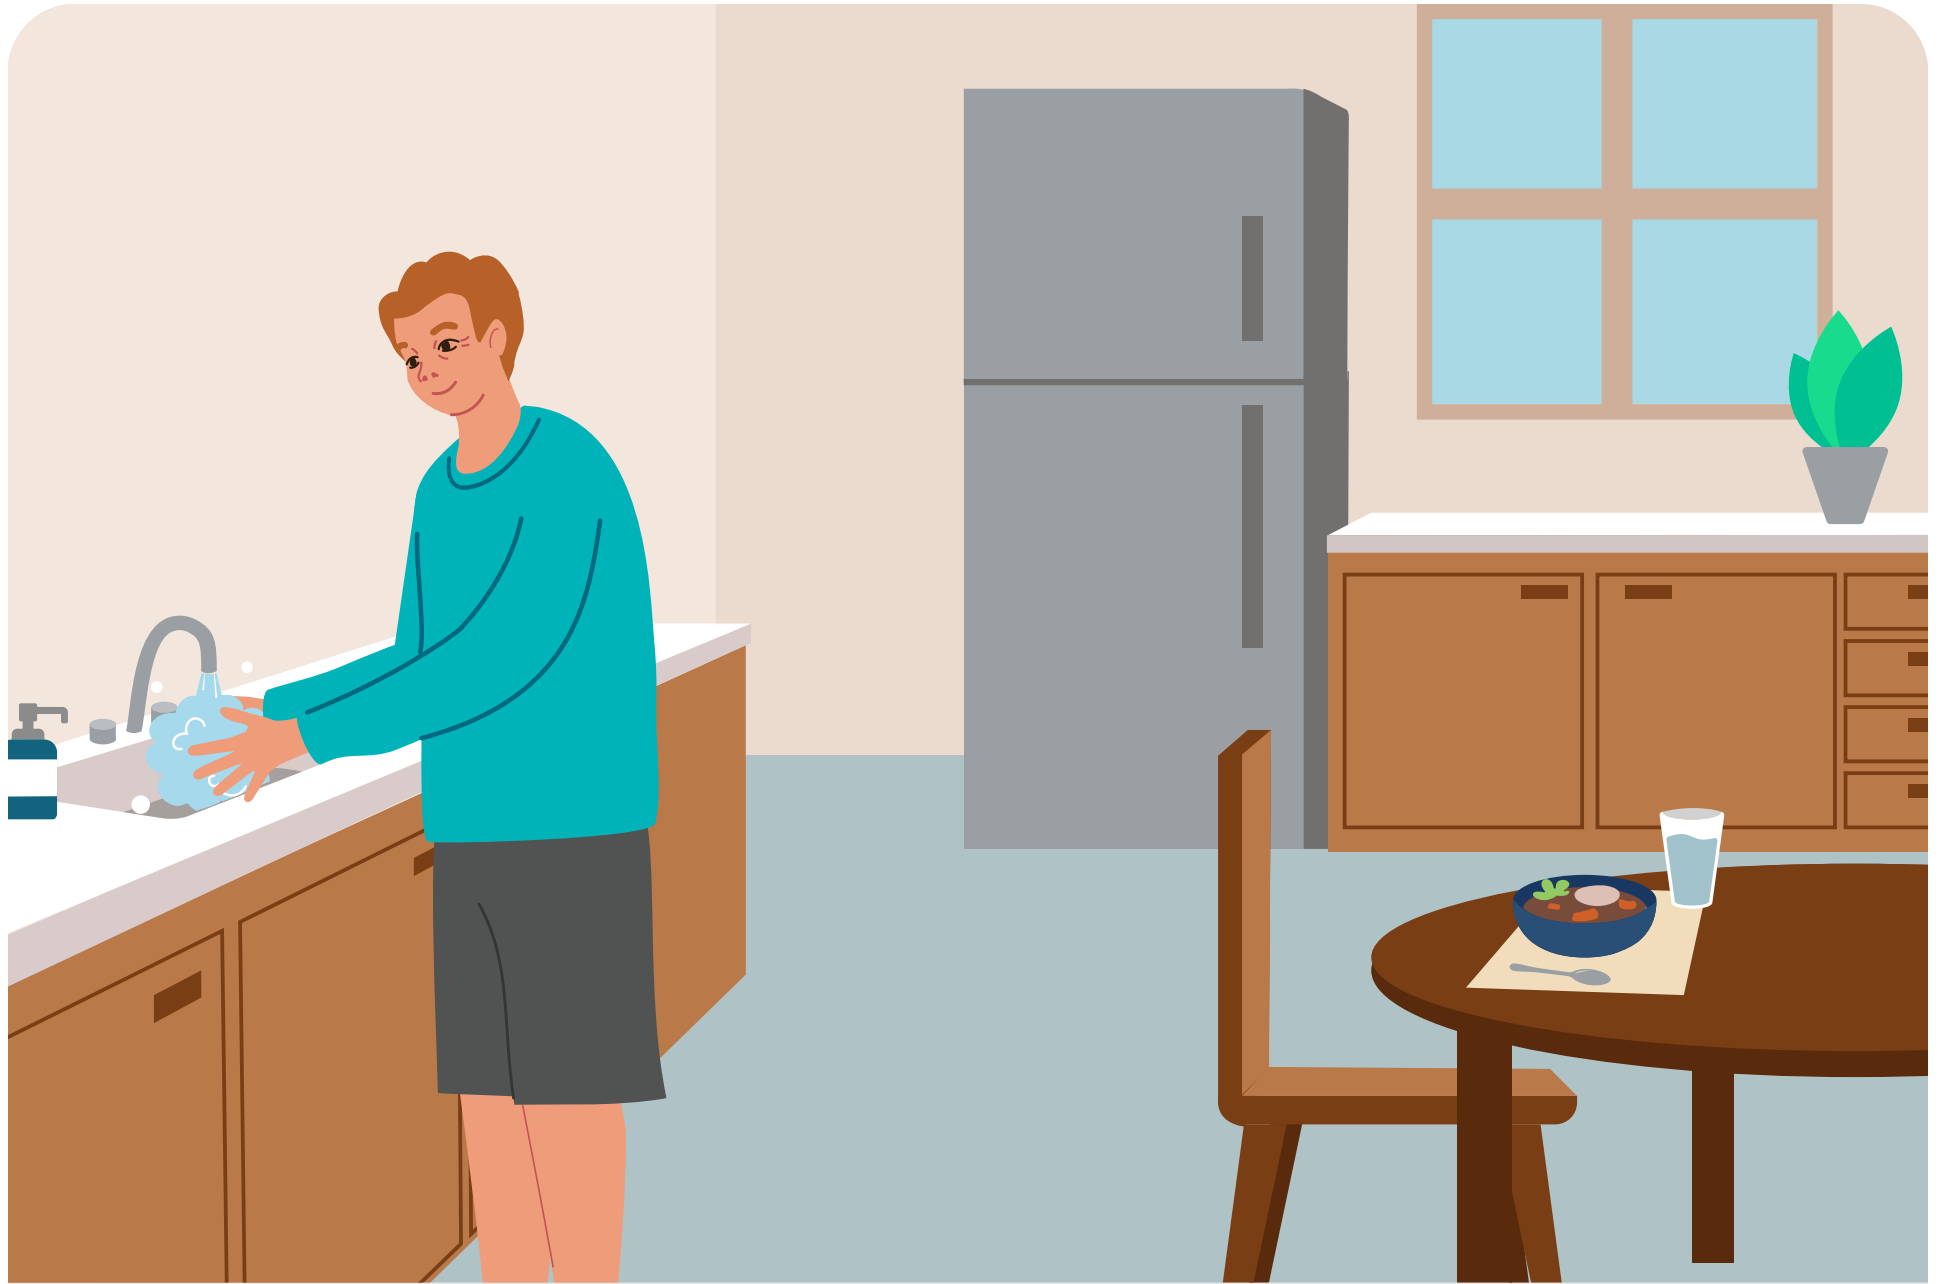

I rub my hands together until the soap is gone.

**Then I dry my hands.
I am all done!**

I always wash my hands when I come home.

I always wash my hands before I eat.

I always wash my hands after I use the bathroom.

I wash my hands so I don't get sick.
