- Select a specific chapter or chapter section by clicking on a title.

- Click the "play" button and then "next" or "back" to view the entire course.

- Access more information in the Go Further section.

Audio Script

Welcome to the Health Education Curriculum Analysis Tool course, part of the "Training Tools for Healthy Schools" e-Learning series.

In this self-paced course, there are several ways to access the training materials. You may select a specific chapter or chapter section by clicking on a title. You may view the course in its entirety by simply clicking on the "play" button in the video window and then clicking "next" to proceed to the next video. Click "back" to view the previous video.

An "Active Child" icon will appear on the screen periodically to alert you to a tip for more information. You may access more information by clicking on questions or resources in the Go Further section. A full-course download is also available.

At the end of the course, you will have the opportunity to download a Certificate of Completion.

We recommend downloading the HECAT and following along while taking this training. Let's get started!
