we at logan fire and rescue inc. would prefer to purchase our replacement cylinders from what ever supplier gives us the best cylinder at the best price. as there are only three or four cylinder manufactures in U.S.A. WE IN THE VOLUNTEER FIRE SERVICE WORK ON VERY LIMITED FONDS. THE ONLY WAY WE CAN PURCHASE THE MORE EXPENSIVE CYLINDERS IS TO RECEIVE A GRANT FROM THE US GOV. IT WOULD HELP ALL VOLUTEER FIRE DEPARTMENTS TO BE ABLE TOPURCHASE CYLINDERS FROM ANY COMPANY OUT THERE.
