659 Crow Rd.  
Garrison, Montana 59731  
USA

Comments  
P.31, Paragraph 4, fix spelling, change "feelins" to feelings.

P. 40 describes how the Communications Unit will help disseminate information internally within the ICS system but does not describe how the Comm Unit and the PIO will collaborate on the release of public information.

The tools section is valuable but a little confusing. Suggest creating model forms and only citing links to the other examples.
