Subject: 226 - Implementation of the James Zadroga 9/11 Health and Compensation Act of 2010 (Pub. L 111-347)

I would hope for some flexibility. I suffer from many health problems from being a volunteer there. I have severe sinusitis and rhinitis. Furthermore, I have had several sinus infections that have caused ear infections. Although I had an acoustic neuroma removed 4 years ago, my other ear is having difficulty hearing. In addition, I am beginning to have problems with smell and taste. Moreover, I now have chronic bronchitis. I hope the commission will take this concern seriously.

"Draw close to God and He will draw close to you." Jas. 4:8
