Subject: 215 - NIOSH Guideline: Application of Digital Radiography for the Detection and Classification of Pneumoconiosis

Quick question: the document refers to a downloadable "NIOSH-B-Viewer". Can you direct me to the link where this download is to be found?

Quick correction: on the web site in the list of Massachusetts based B-readers, my telephone number is listed incorrectly. It is not 781.494.5955, but rather 781.444.5955

Thanks
