Occupational Safety and Health

Effective Immediately: Voluntary Rescission of one United States Mask, LLC Approval

The National Institute for Occupational Safety and Health (NIOSH) has honored a request by United States Mask, LLC to **voluntarily rescind one NIOSH respirator approval issued to United States Mask, LLC.**

As of September 18, 2024, **any respirator marked with a NIOSH approval label and approval number listed in the table below is no longer NIOSH approved.** The NIOSH [Certified Equipment List](#) no longer includes this approval number:

Approval Number	Product Line or Model
84A-9393	N95 Model 1812

Due to the voluntary rescission of this NIOSH approval, **respirators bearing this NIOSH approval number may no longer be used, manufactured, assembled, sold, or distributed.**

Please reach out to United States Mask, LLC for additional details related to their decision to voluntarily rescind one approval issued to United States Mask, LLC identified in this notice. The [Certified Equipment List](#) can be used to locate other NIOSH Approved® respirators.

NIOSH Approved® is a certification mark of the U.S. Department of Health and Human Services (HHS) registered in the United States and several international jurisdictions
