Effective Immediately: Voluntary Rescission of two Innonix Technologies Limited Approvals

The National Institute for Occupational Safety and Health (NIOSH) has honored a request by Innonix Technologies Limited to **voluntarily rescind two NIOSH respirator approvals issued to Innonix Technologies Limited.**

As of September 19, 2024, **any respirator marked with a NIOSH approval label and approval number listed in the table below is no longer NIOSH approved.** The NIOSH [Certified Equipment List](#) no longer includes these approval numbers:

Approval Number	Product Line or Model
84A-7641	N95 Filtering Facepiece, Model/Part Number RK-200-3013AN
84A-7796	N95 Filtering Facepieces, Model/Part Numbers RK-200-3040A, RK-200-3041A and RK-200-3042A

Due to the voluntary rescission of these NIOSH approvals, **respirators bearing these NIOSH approval numbers may no longer be used, manufactured, assembled, sold, or distributed.**

Please reach out to Innonix Technologies Limited for additional details related to their decision to voluntarily rescind two approvals issued to Innonix Technologies Limited identified in this notice. The [Certified Equipment List](#) can be used to locate other NIOSH Approved® respirators.

NIOSH Approved® is a certification mark of the U.S. Department of Health and Human Services (HHS) registered in the United States and several international jurisdictions
