Dear Mr Elliott,

I am writing to you
as my husband passed
away from Lymphoma in Dec.
He was diagnosed with it in _____ and
the oncologist said it was the slow
growing and incurable he had it
long before being diagnosed. Anyway
there have been several deaths
all related to Cancer from I'm
sure working at Hanford, almost
all our friends deceased have been
with Cancer I even had lymphoma
and am in remission we lost a
son with Leukemia age _____. I have
lived here in Richland since
March. Thank you for your patience.
Sincerely

Pb.
