

World Trade Center Health Program Program at a Glance

As of March 31st, 2024

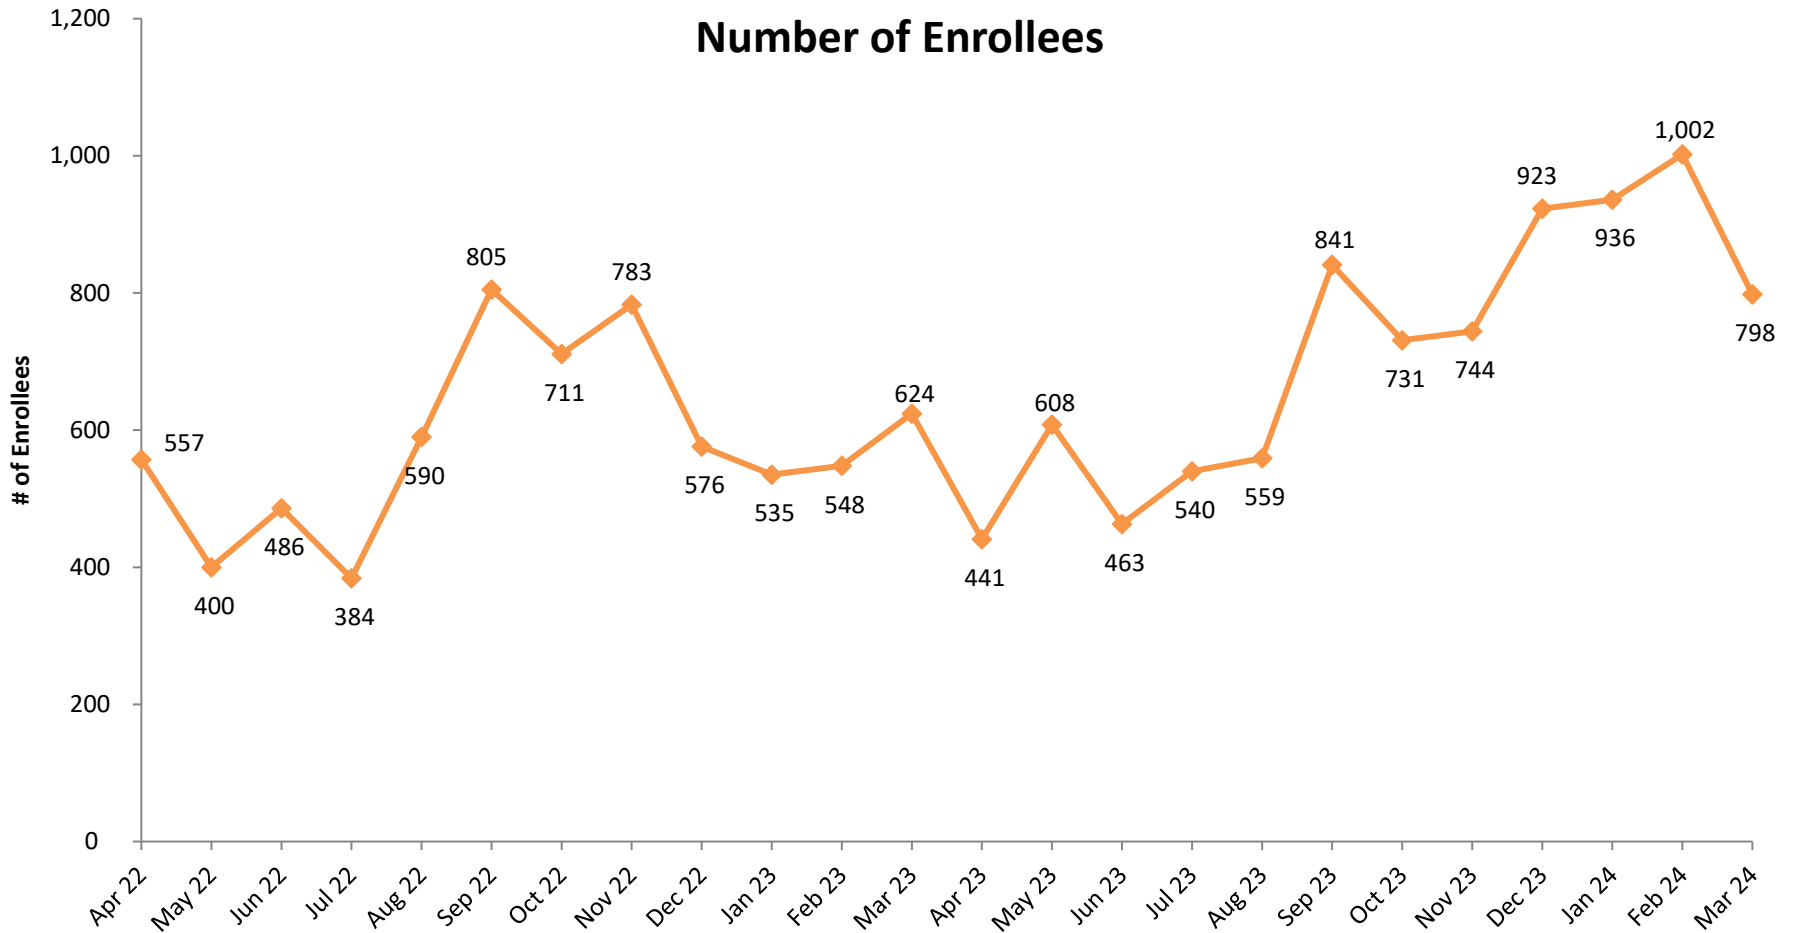

Below you will find general program information related to members enrolled and members certified for treatment of health conditions in the WTC Health Program.

Overall Enrollment: Responders and Survivors*

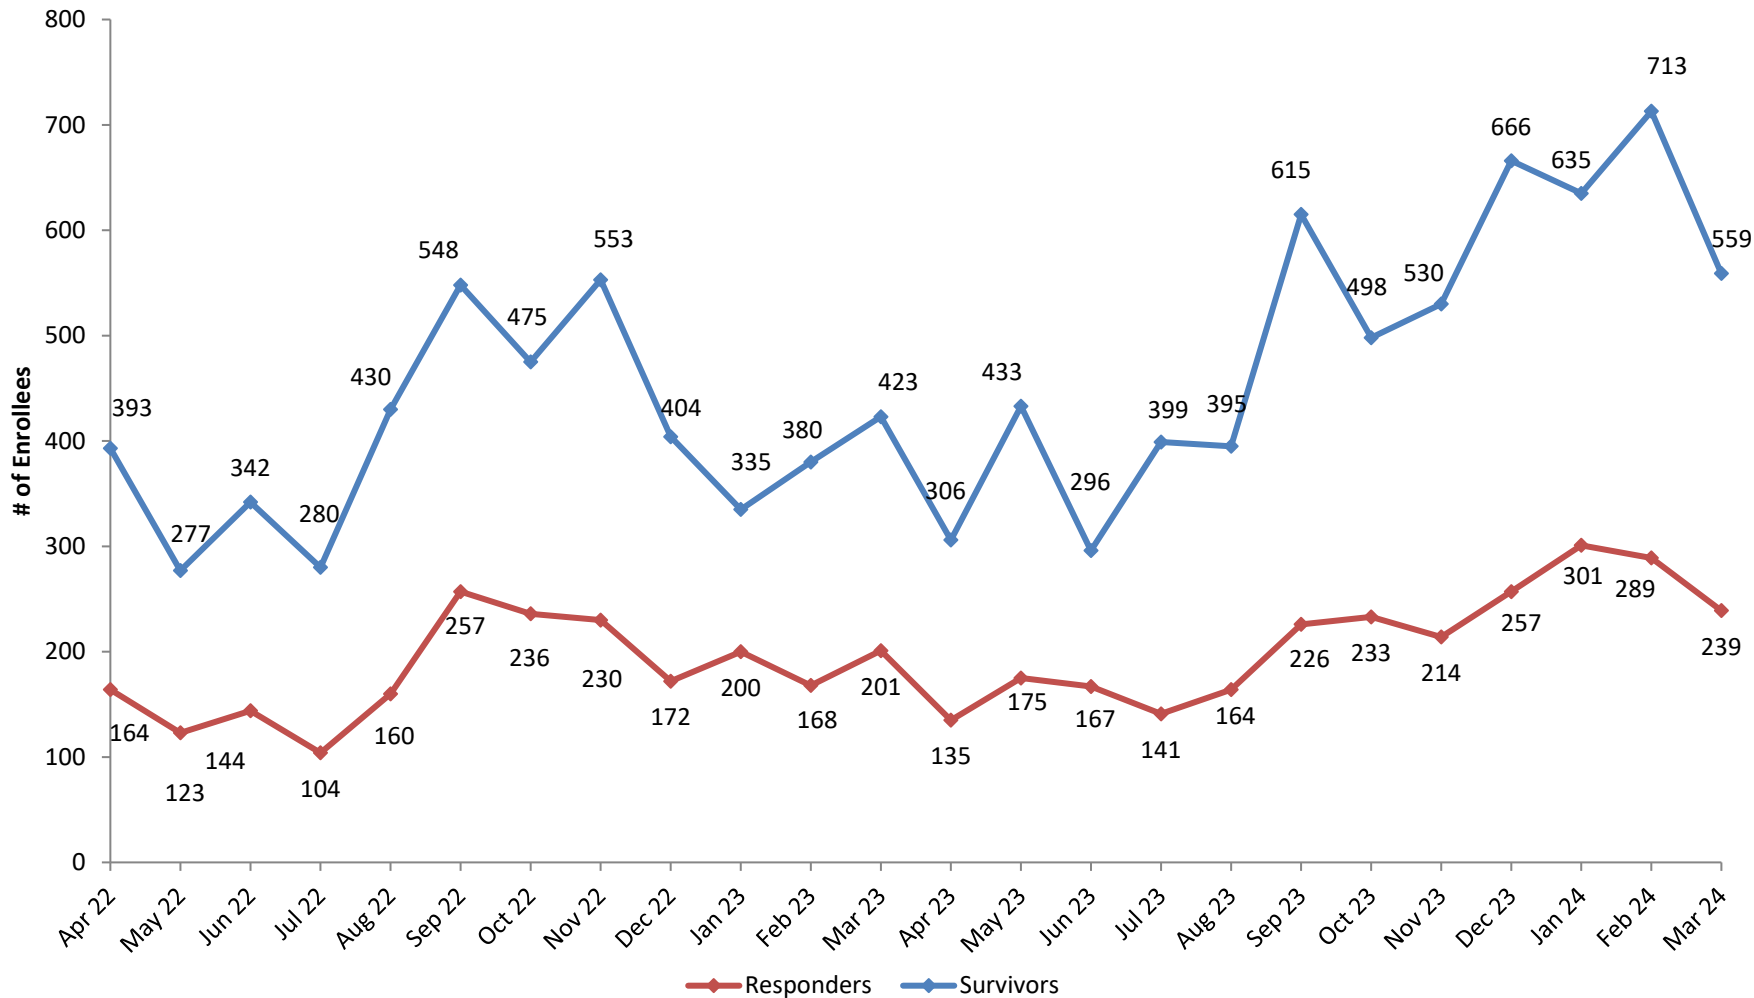

Note: The Program started on July 1, 2011, and at that time, 56,107 Responders were “grandfathered” from previous Federal activities. On September 29, 2011, 4,712 Survivors were likewise “grandfathered”. The chart above depicts enrollment from the beginning of the Program, starting with “grandfathered” members and the cumulative addition of new members each quarter. The date labels correspond to the end of the quarter (i.e., Mar 2024 represents cumulative members through March 31st, 2024). The Deceased Members table includes all causes of death, not just deaths from WTC-related conditions

New Enrollees Past 24 Months*
